School of Professional Studies

*Students who entered Rowan University prior to Fall 2024 should follow the guide for their program and start year in consultation with their advisor.*

## Master of Professional Studies Requirements for Graduation

- Students must complete at least 30 semester hours (sh) of coursework that apply to their Rowan University degree.
- Students must have a cumulative GPA of at least 3.00 in Rowan University coursework. (Transfer courses/credit do not count toward your Rowan GPA.)

The Master of Professional Studies (M.P.S.) with the Certificate in Graduate Study (COGS) in Sustainable Business will provide students with organizational leadership, and analytical skills coupled with the ability to address challenges that require balancing economic, environmental, and social considerations. The program is comprised of a core curriculum of vital strategies in project management, teambuilding and analytics combined with a focus on transforming operations while maintaining profitability by applying the 9-credit COGS in Sustainable Business. Studies are finalized with an application of skills in an action study course. Students who graduate from this program will be prepared to move forward within their field by demonstrating in-depth analytical competencies, leadership skills, and effectively applying these concepts to take on social and environmental challenges.
